- A Tax Return DataBase View (TRDBV) transcript obtained from the IRS, or any other IRS tax transcript(s) that includes all of the income and tax information required to be verified; **and**

Transcript Types

The Internal Revenue Service offers the following transcript types at no charge:

- **Tax Return Transcript** - shows most line items including your **adjusted gross income (AGI)** from your original tax return (Form 1040, 1040A or 1040EZ) as filed, along with any forms and schedules. It doesn't show changes made after you filed your original return. This transcript is only available for the current tax year and returns processed during the prior three years. A tax return transcript usually meets the needs of lending institutions offering mortgages and student loans. **Note:** the secondary spouse on a joint return must use Get Transcript Online or Form 4506-T to request this transcript type. When using Get Transcript by Mail or phone, the primary taxpayer on the return must make the request.
- **Tax Account Transcript** - shows basic data such as return type, marital status, adjusted gross income, taxable income and all payment types. It also shows changes made after you filed your original return. This transcript is available for the current tax year and up to 10 prior years using Get Transcript Online or Form 4506-T. When using Get Transcript by Mail or phone, you're limited to the current tax year and returns processed during the prior three years.
- **Record of Account Transcript** - combines the tax return and tax account transcripts above into one complete transcript. This transcript is available for the current tax year and returns processed during the prior three years using Get Transcript Online or Form 4506-T.
- **Wage and Income Transcript** - shows data from information returns we receive such as Forms W-2, 1099, 1098 and Form 5498, IRA Contribution Information. Current tax year information may not be complete until July. This transcript is available for up to 10 prior years using Get Transcript Online or Form 4506-T.
- **Verification of Non-filing Letter** - provides proof that the IRS has no record of a filed Form 1040, 1040A or 1040EZ for the year you requested. It doesn't indicate whether you were required to file a return for that year. This letter is available after June 15 for the current tax year or anytime for the prior three tax years using Get Transcript Online or Form 4506-T. You must use Form 4506-T if you need a letter for tax years older than the prior three years.

Note: A transcript isn't a photocopy of your return. If you need a copy of your original return, complete and mail [Form 4506, Request for Copy of Tax Return](#), along with the applicable fee.
