Minutes: 1/28 minutes approved

Attendance: Claudia H., Melissa M., Randy R., Mariah H., Karey W.

Old Business

Advisor Report:

- Officer Elections- Mariah H submitted declaration of candidacy. Members in attendance discussed to application with Mariah out of the room. Only three voting members present so a request for votes will be sent via email.

College Project: Mariah will chair. Discussed projects done in the past. Ideally, we need to meet with the president with our recommendations/ideas before April (nothing too formal but it does need to be in writing). We do have the final write-ups for the last two college projects to review if needed.

HIA Project: Initial review of honors program guide to see what stood out to us. Narrowed it down to three themes of interest.

- Theme 1 Networks of Life
- Theme 4 Dynamics of Discovery
- Theme 7 Powers of Connection

Review the above themes at home for a deeper discussion next week.

Coat Drive: Follow-up with Angelica next week?

PTK Awareness Week Feb 25, 2019 – March 1, 2019 (star requirement)

Mariah has Fred Meyer discounts (or potential donation) if we decide to purchase food.

Ideas for getting the information out:

- A table in the lobby (manned at times).
- Flyer with requirements to join
- Email to current students

Pi Day: Thurs. 03/14/2019

Prizes for 1st, 2nd, 3rd based on tally of # of votes. Will need to reach out for pie donations, decide on what prizes to give out, and determine a schedule for covering the event.
