Meeting Minutes

03/18/2019

Treasurer's Report: No Change

Minutes- Karey to resend minutes from last meeting for everyone to review.

Attendance: Randy R., Claudia H., Angelica O., Stephanie V., Karey W.,
Isabella R. (for equity discussion)

Old Business

Advisor Report: Spring Convention registration is coming soon. The event will be at Columbia Gorge CC in The Dalles, OR on Fri/Sat May 17 & 18. If you want to go, it will cost \$25 (non-refundable deposit). We will need to know if you are going by **April 5** in order to register & book the hotel.

College Project: Randy is working on drafting our topic discussions. Once the draft is finished, we will work on scheduling the meeting with Ross. We should try to meet with him no later than April.

HIA Project: No update from last discussion.

Sock and Underwear Drive: There were questions as to whether or not we had planned on allocating raffle & donation money from Pi Day to buy more socks & underwear. Karey will look at past minutes, but is certain we did not make a final decision. Sock and underwear donations need to be counted and delivered. There was discussion around waiting until next term to complete the final steps.

Pi Day: Thurs. 03/14/2019: Successful event this year with 37 voters. We raised \$87.10 in raffle & donations. Some thoughts for future events:

- Maybe have each baker make 2 identical pie (to keep the voting ability consistent).
- Extended hours helped include night class students.

- Shorten voting to 1-hour time window? However, have pie available for eating longer.

Fun Event for TBCC students:

- Event later in the year...skating still seems to be the best option. If Karey has time, she will request more info from the skate rink.

New Business

Equity Discussion (Isabella Rain): New work-study will take over next fall. They need space/storage for overage donations as well as a scale & receipt printer. It was proposed to use the south wall/corner in the student activities room. The team agrees that this would be the least intrusive spot in the student activities room.

Open Floor

Spring term meeting time: Gathered schedules from members in the room Karey will send an email out with some suggested meeting times for the rest of the group before we finalize a meeting time.
