Treasurer’s Report: Unknown at this time, per Sheryl V.

Minutes: Need minutes from the 2/17/20 PTK meeting. Mariah will send these out.

Attendance: Sheryl Vanselow, Mariah Hallock, Stephanie Van De Hey, Jalene Ferguson, Bobbi Hurd and Abraham Rosas

Old Business

Advisor Report: Sheryl reports, save the date for the PTK Regional Spring Convention. The convention is held at Umpqua in Roseburg, Oregon May 15th – 17th. The awards gala this year will be held at the Wildlife Safari. We will leave on Thursday, May 14 in the afternoon or Friday May 15 early in the morning. If members want to attend, they need to pay a $25.00 deposit and talk to Sheryl about the details.

Inclusion Event: This event is the potluck that is scheduled for March 13, 2020, from 4-6 PM at TBCC. Sheryl reports there are 6 RSVPs for food that are signed up. Posters are up on TBCC’s website and there are some flyers posted around campus as well. Bobby reports he will talk with the activities group this week and bring the information to the next PTK meeting (3/9/20). Sheryl talks briefly about the kind of information the groups should bring with them at this potluck. Information like what their group is about, what they do in their group, some activities they’ve done, when the group meets, day/times etc. RSVP if you will be attending to Sheryl or Karey.

Fund Raising: Sheryl reports the last fundraising event was our bake sale. PTK brought in $168.75 from all the goodies that were sold. At the bake sale, we spoke to three new people regarding PTK and what it was about. Good job everyone!
College Project Brainstorm: Jalene and Stephanie shared some ideas for the college project that were talked about at the last PTK meeting (2/24/20). The ideas were opening a daycare in the TBCC building for the students and having a food truck on the property for TBCC students/staff etc. Sheryl told members those are good ideas, but there are some problems. 1) The food truck idea has been discussed and is being considered by the college 2) A daycare is not going to work because there is no space for a daycare and the cost is too high for the group.

Collecting food and hygiene paraphernalia and donating the items collected to the TBCC food bank. We talked about toothbrushes, deodorant, shampoo/conditioner etc. We also talked about starting a garden for our college project. Lastly, we ended the college project brainstorm with starting a job fair. Jalene notified the group that she would put together a basic outline of these three potential college projects and bring it to the next PTK meeting (3/9/20), so the group can talk about them more.

Open Floor:

HIA Project Jalene asked a lot of questions about the HIA project and both Sheryl and Mariah were able to clarify some things for her. Jalene was given a book/pamphlet about the HIA project and the group went over some of the guidelines for the HIA project.

Our PTK President, Mariah Hallock, reported she was leaving her position and moving out of the county. We are sad to see Mariah leave, but we wish her all the best of luck! The President position will be available beginning Spring Term if anyone was interested in taking over that position.
