Meeting Minutes

04/25/2019

Treasurer's Report: Same as last time.

Minutes: Approved after correction of some typos

Attendance: Stephanie V., Melissa M., Mariah H., Sheryl V., Randy R., Claudia., Angelica O.,

Old Business

Advisor Report:

- Spring Convention: We are all registered
 - Other Competitions – we can enter submissions for any of these there
 - Due May 10th
 - Regional Communication Award- essay, include how often we communicate and basically anything we do to communicate throughout the term.
 - Yearbook Award – Put together a “yearbook” that documents the year for the chapter. Can be online or physical.
 - Distinguished alumni awards
- 9 new members

College Project:

- Ross steered more towards the GED program and the transitions board.
 - He thinks that the GED program is the most feasible option because we already have the connection with Irv Jacob. We also want to consider the alternative school and talk to the students there and help with pre-college stuff (FAFSA, what we do, what college about). TBCC is currently working on including dual credits at Wilson River HS. We could get involved with GED program right away.
 - We need to connect with John Sousa and see if we can assist or add to their project because John and student services work on transition options. Check with Pat Ryan to see if we have an extra bulletin board.
- What are we more passionate about?
 - Stephanie is going to talk to student services but would like sort of an outline.

HIA Project:

- Randy handed out notes and sources with different viewpoints for wetland mitigation.
- she will send out information on the project to everyone so that the new members know what is going on.

Sock and Underwear Drive:

- Angelica got in touch with the lady from the church.
- They accept checks and are going to use the money to buy more sock and underwear.
- Still not sure on the count for everything.

Induction:

- Mariah is still looking at days but we are looking at the week of May 20th to the 24th at 7:00.
- We have to buy white roses and possibly refreshments.
- It IS NOT REQUIRED FOR MEMBERSHIP

Open Floor:

- End of the year BBQ
 - Pie in the face?
 - Carnival games
 - Dunk tank
 - Food?
 - Think of ideas to bring for next week
